A summary of the State of the Town is enclosed with this newsletter. I urge you, the resident to take the time to read the newsletter and save it for future reference. The newsletter provides you with important information about Town services, community events and financial status of the Town.

Please feel free to stop in and see me with any questions or concerns you may have pertaining to our Town. I am in the Town Hall from 6-8 pm most Tuesday evenings or you can contact me by phone, email, or in writing. I would be happy to answer your questions, provide information, and assist you in any way possible.

I am very proud of the accomplishments we have made, the services we provide, and the Town Events we hold. I will continue to demand accountability, and be prudent with the Town's finances (taxpayers money) and provide the residents with important information.

It takes a team, made up of residents, volunteers, employees and Officials, to make and support a Town Community. We can be proud of our Team!
